

# AM300 + AM300-B Swingout Mount for Flat-Panels

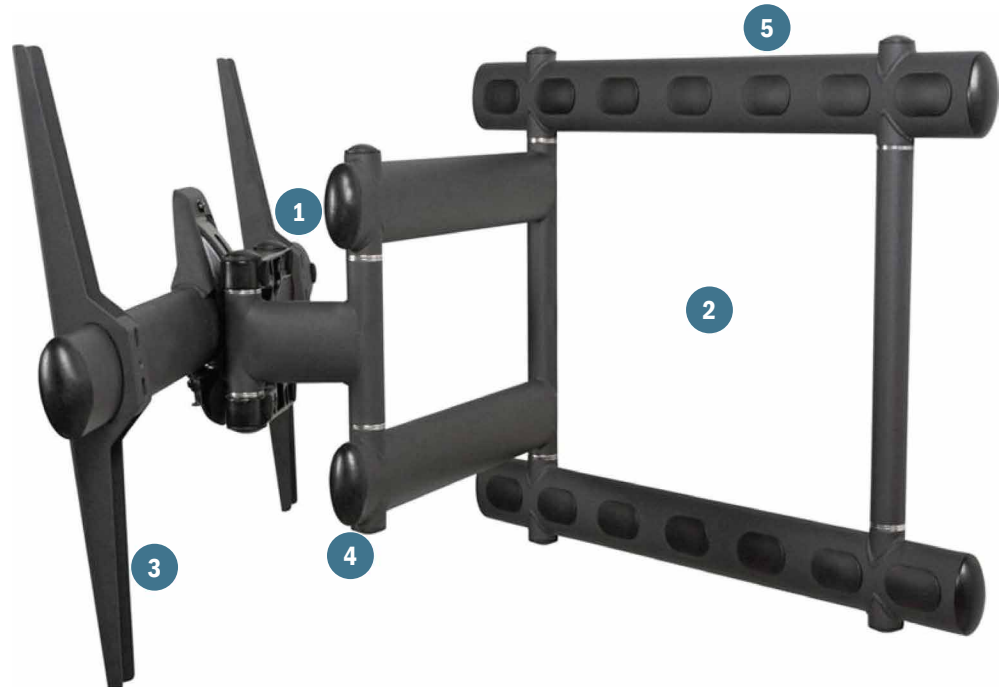

**ITEM:** AM300 + AM300-B

**WEIGHT CAPACITY:**  
300 LB | 136 KG

The AM300 is a mega sized wall mount that takes on the biggest of displays. Showcase your large screen flat-panel screens using the most versatile mega mounting solution on the market today. The AM300 supports up to 300 lbs in total weight capacity while still allowing for a wide range of motion. It offers 10° of tilt along with 90° of swivel to provide viewers with the ultimate viewing experience.

## FEATURES

- 1 Radial Glide™: Up to 10° of smooth tilt adjustment
- 2 Has optional gearbox for recessed integration
- 3 Griplate™: Patent-pending washer “grips” mounting bracket for secure installation
- 4 Head and arm joints control how easily flat-panel tilts and pivots
- 5 Built-in cable management organizes cables and prevents cable pinching
