

# Ultra Tilt Dual Swivel Ceiling Mounts for displays up to 75" and 200lbs.

**ITEMS:** 7170-1158-00, 7170-1158-01

**WEIGHT CAPACITY:** 200 LB / 90.7 KG.

## FEATURES

- Up to 30° of fixed tilt on each display
- 90° independent swivel on each display
- Turnkey design ensures a streamlined installation
- Mounting holes for gang boxes and media player brackets
- Compatible with Premier Mounts fixed and adjustable length ceiling pipes
- Built from high-grade steel, this mount provides secure and durable support for your displays.

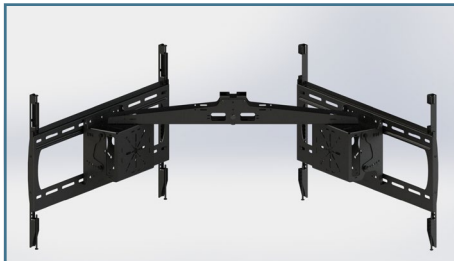

Premier Mounts' dual ultra-tilt ceiling mount is designed to elevate your digital signage experience. This innovative dual ceiling mount solution allows you to create dynamic and engaging visual displays up to 75".

This dual swivel ceiling mount features 30 degrees of tilt and 90 degrees of independent swivel for each display, providing unparalleled flexibility in positioning and orientation. These features help guarantee content is displayed clearly and effectively.

Mounting holes for gang boxes and media player brackets allow for customization and integration with your existing setup. This flexibility enables you to tailor the display mount to your specific needs and preferences, ensuring a seamless integration with your overall system.

The dual ultra-tilt ceiling mount is ideal for various settings, including digital signage, live events, transportation centers, retail, quick service restaurants, hospitality, and conference centers. Its versatility makes it a valuable tool for businesses and organizations seeking to enhance their visual communications.
